Dear David,

Congratulations on receiving the 2011 Program Award of Excellence from the Canadian Association for University Continuing Education for your work, "Mad People's History."

Your innovative use of a variety of storytelling techniques provided students with a rich and varied learning experience, and one need look no further than the course discussion boards—with over 2,000 posts—to see that students were excited and engaged.

Your contribution and achievement have clearly demonstrated The Chang School's status as a leader in online learning, and your hard work has raised the bar for innovation in the virtual classroom.

Once again, congratulations.

Sincerely,

Gervan Fearon
Dean, The Chang School
